

# REDUCE

*waste by purchasing less disposables, less packing, less toxic material. This will keep money in your pocket and materials out of landfills and incinerators.*

# REUSE

*items over and over again. And when you can't use them anymore, find someone who can.*

# RECYCLE

*so the items you recycle will be manufactured into new products. You can then "close the loop" by purchasing new recycled products.*

Recycling Center Hours are 7 a.m. to 6 p.m.  
Monday, Wednesday and Saturday at:  
401-South 277-3104 | 401-North 277-3105  
Livingston Quarters 462-4387 | Sneads Grove 277-3106  
Recycling Center Hours are 7 a.m. to 6 p.m.  
Wednesday and Saturday only at:  
Palmer Road 277-0350

## ***NO FEE FOR TRASH AT RECYCLE CENTERS***

*Scotland County* operates five conveniently located recycling and solid waste collection centers. Each center features receptacles to accept a number of items, which can be separated as follows:

***Boxes*** — all corrugated packing boxes, shoe boxes, cereal and cracker boxes, tissue and toy boxes, paper towel tubes and paper egg cartons. If it came in cardboard, it can be recycled!

***Mixed Paper*** — all paper products such as slick inserts, magazines, catalogues, newspaper inserts, junk mail, envelopes, computer paper, all paper bags, dog and cat food and livestock bags and office and school miscellaneous paper of all colors can be mixed together.

***White goods***— appliances such as washing machines, refrigerators, dish washers and dryers.

***Swap Shop items***— clothes, small appliances, toys and furniture that can be used by other patrons.

***Household hazardous waste*** — used motor oil, transmission fluid or antifreeze, paints and solvents, residential pesticides and herbicides, furniture stripper and preservatives and swimming pool chemicals.

***Automobile items***— car batteries, tires, used motor oil and used antifreeze.

***Plastics*** — #1 through #7 all clean consumer plastic. **Oil containers and antifreeze containers must be disposed of in compactor.**

***Yard waste*** — limbs, leaves, pine straw. **Nothing over six-feet long is accepted.**

***Glass***— food and beverage containers such as bottles and jars that are green, brown and clear.

***Newspaper***— must be recycled separately from all other paper products while the inserts can be recycled with mixed paper.

***Aluminum and steel cans*** — are accepted as well as **clean** aluminum foil and pie plates.

***Electronics***— PCs, hard drives, laptops, computers, scanners, printers, copiers, cellphones, PDAs, video games, iPods, iPads, MP3s, LCD monitors, TVs, keyboards and mice, microwaves, stereos, cameras, telephones, rechargeable batteries, vacuums, fans, etc.

**Styrofoam containers, although recyclable, cannot be recycled in Scotland County. They must be placed in the compactor with household trash.**

**Farmers may discard triple rinsed agricultural pesticide containers. Contact Cooperative Extension at 910-277-2442 for more information.**

***Scotland County Recycling Centers*** serve all citizens including residents of Laurinburg, East Laurinburg, Gibson, Wagram and a portion of Maxton. Think **RECYCLING** at your house!

Help ***Scotland County*** recycle. **Suggestions are encouraged. Contact the County at 910-610-5262 or 910-277-2419.** This document is available at [www.scotlandcounty.org](http://www.scotlandcounty.org) in the Recycling Department.
