

## **NOTICE OF VOTER TRANSFER IN PRECINCT 8**

The one thousand three hundred and twenty five (1,325) Scotland County voters that are assigned to precinct 8 will be relocated for the upcoming 2018 General Election. Instead of voting at the Sneads Grove Community Building, located at 12721 Old Wire Road, Laurinburg, NC on Election Day these voters will vote at the Scotland County Economic Development Corporation, located at 16800-A US Highway 401, Laurinburg, NC. The voters eligible to vote at precinct 8 in the 2018 General Election, can vote during One-Stop Early Voting, vote an Absentee Ballot or vote on Election Day. On Election Day instead of entering the building from the front, all voters must enter the EDC from the left side of the building (signs will direct you). Letters will be mailed to the affected voters with all the in-depth information.

Based on G.S. 163A-1134 the Board of Elections has entered into an agreement with the SCEDC prohibiting all election related activity on this property. Therefore, no political signs can be placed on the said property and there can be no electioneering on Election Day. Persons with questions can call the Board of Elections office at 910-277-2595.

Publish Dates: September 25, October 17 and November 3, 2018
