

# Vehicle Appeals Process

The property tax value for a registration renewal is based on the January 1 value and your assigned renewal month. January through August renewal months use January 1 value from that period. September through December renewal months use the January 1 value immediately after that period.

***The owner may file a written appeal of the appraised value with the County Tax Office within 30 days of the due date shown on the front of your vehicle renewal registration.*** Taxes are to be paid on the motor vehicle when they are due and are subject to a full or partial refund if the appeal is decided in the owner's favor.
